

“CORONA KINDNESS” --Take on the Virus!

In other words, share little stories of kindness you have seen or felt, going-on in our area during this time. Fr. Kurt would like to publish some of these little stories in the bulletin or on the website. You may sign it, initial it, or remain anonymous.

Fr. Kurt's example:

“A parishioner gave me a call to just check in, see how I was doing, offered prayers and support, and just said--‘I miss seeing you.’ I know this simple gesture, simple kindness had impact for me—it made my day.” Fr. Kurt

We encourage you to “pass it on” to us. Relate an act of kindness done in your home; a text, a call or an email... anything. Tell us how a kindness done for you, or done for another, uplifted you and your day. Maybe even a suggestion of what someone can do to keep their spirits up, especially since Masses have been suspended for the time-being.

Email to: StPatrickLemont@sbcglobal.net

If possible, please send in Word document form.
