

St. Patrick Church

200 ILLINOIS STREET
LEMONT, ILLINOIS 60439
(630) 257-6134

Dear Parishioner,

We would like to ask you to help us. Please consider the following way in which you could contribute to the parish.

Electronic Funds Transfer (EFT) is a process by which your contribution offering is almost effortlessly transferred from your checking or savings account to St. Patrick's account.

What does this do for you?

- No more check writing.
- No more looking for or remembering your envelope.
- No more looking for the correct currency.

Record keeping is completely automated.

What it does for St. Patrick:

- Your offering reaches your parish even if you are vacationing or cannot attend Mass.
- You help us simplify our record keeping.

We are better able to plan and to budget.

If your financial situation changes, you may change or stop your payment at any time. Please call the Parish Office and speak with Louise our Business Manager.

To sign up for EFT, please complete an EFT form and return it by mail or drop it in the collection basket. Please enclose a blank voided check if transferring from a checking account. When we have received your form, we will call to verify the information.

Your offering will be transferred once each month. There are NO FEES for using EFT. Many parishioners choose to continue receiving envelopes while also using EFT. If you DO NOT wish to receive envelopes, please include a note to the parish office.

If you have any questions, contact Louise in the Parish Office at 630-257-6134.

Peace and God's blessings,

Rev. Kurt D. Boras
Pastor
