Wedding Celebrations

St. Patrick Church is unique—it is one of the oldest Roman Catholic churches in the Chicago Archdiocese, has more than 170 years of authentic Irish Catholic history, and was built with the same Lemont limestone used to construct many of Chicago's historic buildings.

This is not an event venue, but a place of worship, the heart and center of parish life, and the center of liturgical and sacramental celebrations. Begin your marriage in the presence of God, and celebrate your love together with your friends and family in our sacred space.

YOU ARE INVITED TO MAKE OUR CHURCH THE HOME FOR . . .

YOUR UNIQUE WEDDING

ST. PATRICK CHURCH WOULD LIKE TO HELP GUIDE YOU THROUGH EACH STEP OF YOUR SPIRITUAL JOURNEY TOWARD MARRIAGE—FROM BEGINNING TO END.

As a smaller parish, we are able to focus on your needs. Our friendly pastoral staff offers services and a marriage preparation guidebook that can assist in planning your unique wedding experience by providing:

- pastoral services and spiritual guidance,
- a convenient timeline checklist,
- an explanation of the marriage process,
- handy marriage preparation tools including sample programs,
- music tailored to enhance your sacred day and the rite of marriage,
- a wedding day attendant and rehearsal coordinator, and
- a faith community that cares about you and knows you by name.
