Dear Parishioners and Friends of St. Patrick:

The sacrament of the Anointing of the Sick is spiritual help in times of illness. The ancients seemed to have had a wisdom, which modern science has confirmed, namely there is a mind-body connection. For example, when people are chronically stressed or worried, blood pressure can become elevated or gastrointestinal problems can develop. It is possible that when people feel like they carry the weight of the world on their shoulders, they might experience back or neck pain. Conversely, physical exercises such as walking or progressive relaxation techniques have been known to calm the mind. Mind calming techniques, such as meditation and prayer, have been known to have beneficial effects on the body such as lower blood pressure.

The soul is an intrinsic part of that connection. A guilty conscience can cause negative feelings and self-attitudes, which in turn can contribute to depressed moods. And when one’s body is compromised or debilitated by illness, a person might find it difficult to ascend to God in prayer. The Anointing of the Sick is sacramental help ordered toward the health of one’s soul. However, given the mind-body-soul connection, the power of prayer and spiritual help should not be underestimated. The fortification of the soul can instill a sense of comfort, foster courage and fortitude, and help improve one’s mental disposition. Inviting the Lord into one’s suffering is to invite the heart of compassion.

Father Kurt had often offered the opportunity for parishioners to receive the sacrament after Mass on selected weekends. This is a practice that I intend to continue. It is important to mollify perception of the sacrament as “Extreme Unction”, which seemed to dispose the faithful to wait until they approached death’s door to receive it, and created an unnecessary crisis mentality and sense of urgency for the dying. More importantly, such practices deprive the faithful of opportunities to avail themselves of readily available help from our Lord. Young or old, anyone suffering with various illnesses ranging from the common cold to chronic pain or anxiety or depression could receive it.

I would like to offer the Anointing on a bi-monthly basis, beginning with the month of February, on the first Sunday of the month and the second Saturday 4:30pm Mass (when I would routinely be the celebrant or presider). In addition, sometimes parishioners are homebound and not able to come to Church. The homebound who would like to receive the Anointing and/or have their Confession heard could contact our parish secretary, who will schedule appointments for me for such visits on some of the weekday afternoons. Eucharistic Ministers will continue to bring Holy Communion according to the unusual and customary practice here at the parish.

Please pray for me and I will continue to pray for you.

Inviting the Lord into one’s suffering is to invite the heart of compassion.
It is that time once again…. The wee people of the Pot ‘O’ Gold basket committee are once again gathering their magic to fill and create the baskets for our Annual St. Patrick Day Dinner on March 2nd.

Their magic is of course fueled by the generosity of those “Grabbing a Shamrock” and sharing their talents and treasure.

The Grab a Shamrock board with basket ideas will be on display The weekends of 1/26 thru 2/23.

Donations may be dropped off at the rectory during office hours or brought to the Priest Sacristy when you come to Mass.

Have an amazing basket idea? Want to donate your talent?

Make plans to reserve a table by buying your tickets in advance as they become available for sale during the weekends of February 16/17 and February 23/24, 2019 and through the Parish Office beginning the 18th of February. We look forward to watching YOU win that sweater on March 2nd!
**Attendance Policy**

Parents are reminded that good attendance in Religious Education classes is important for the children to benefit from the program and to keep up with the lessons. The amount of time the children are present for classes is extremely limited (30 hours per year for a child with perfect attendance). For these reasons, a maximum of five absences is allowed. The RE year is just beyond the half-way point. If your child has missed several classes already, please take care that your child has good attendance during this last half of the year.

**Religious Education: Prayers**

We are more than half way through the RE sessions. Children in each grade level are responsible for learning one or more of our traditional Catholic prayers by heart. Most of the classes have been working on their prayer during class time, however, the children need to spend time outside of class to memorize it well. Please make sure your child can recite by memory the prayer for his or her grade. Prayers for each grade are as follows:

**Grade 1** – Sign of the Cross, how to genuflect, Hail Mary, Our Father

**Grade 2** – Glory Be, Grace, Act of Contrition

**Grade 3** – Ten Commandments

**Grade 4** – Apostle’s Creed

**Grade 5** – Hail, Holy Queen

**Grade 6** – Rosary

**Grade 7** – Morning Offering

**Grade 8** – Memorare

**POVERTY AWARENESS MONTH**

Among our tasks as witnesses to the love of Christ is that of giving a voice to the cry of the poor, so that they are not abandoned to the laws of an economy that seems at times to treat people as mere consumers. (6/14/13)

—Pope Francis

---

**Creation Care Corner**

Taking action to protect God’s great gift to us, Mother Earth

“...human beings frequently seem to see no other meaning in their natural environment than...consumption.”

— Pope John Paul II

**This week's Stewardship Recommendation:**

Reduce acquisition. The sum total of all our daily purchases has a massive impact on the environment. The associated destruction of nonrenewable resources, the global warming emissions and industrial toxins from manufacture and transportation of “stuff” really adds up. Examine what you really need, where it comes from, and whether it needs to be a “new” purchase. Pope Francis urges us to live more simply, and to be mindful of our impact on and interdependence with nature.

AS WE CONCLUDE POVERTY AWARENESS MONTH...

We would like to thank the generous people of APEX at 305 Canal Street in Lemont, for donating many gallons of personal soaps and cleaning supplies for distribution to those in need through Hope’s on the Way, the organization which gives hope to those who have little, run by the Deacons of the Archdiocese. Deacon Joe Winblad was assisted by parishioner Don Krengiel in the distribution of these valuable supplies.

Who Are These Knights And What Do They Do?

The Knights of Columbus is a Fraternal Order of Catholic men dedicated to charitable work, support of the Church, Priests, lay spiritual formation and support of life through a program called Faith in Action. Our Lemont Council #1599 is comprised of men who have achieved a Degree of Virtue ranging from 1st Degree to 4th Degree:

1. In Admission, the 1st Degree Knight learns the Virtue of Charity (special needs for community).
2. In Formation, the 2nd Degree Knight learns the Virtue of Unity (service to parish & families)’
3. In Knighthood, the 3rd Degree Knight learns the Virtue of Fraternity (allegiance to God and Country). These men are eligible to hold office up to Grand Knights in their local Council.
4. Knights in the 4th Degree, having learned the Virtue of Patriotism, remind our nation that Knights of Columbus support their Country and are among the most devoted citizens. 3rd and 4th Degree Knights are eligible to hold office in their State Council. 4th Degree Knights also are eligible to serve as officers in a 4th Degree Assembly of local councils and after holding office as State Deputy, are eligible to become a Supreme Officer at Headquarters in New Haven, Connecticut to continue building its rich tradition of charitable work and spiritual formation throughout the world.

4th Degree Knights who have been through the ranks of leadership in our Lemont Council have become linked to their favorite Virtue, continuing every year to perform 1 act of charity at a time. For example:

1. Fred Schmitz, a 4th Degree Knight, for years has been personally collecting donations to fund “Coats for Kids”. Please feel free to contact fred@team-schmitz.org to offer any money to help buy next year’s “Coats for Kids”.
2. Attorney David Anderson, a 4th Degree Knight and Eagle Scout, for years has personally collected funds to provide the opportunity for families with young Scouts in Illinois to send their children to an annual Boy Scout Camp that they otherwise would not have been able to afford. Please feel free to contact David Anderson at draatty@comcast.net to offer any money to help pay for Scout Camp for Kids.

A big thanks goes to all parishioners and others who donate to our fund raisers. Also, a big thanks goes to the Knights in our Lemont Council who participate in the other charitable programs we develop.

We encourage Catholic men age 18 or older to join our Membership. Please contact our Grand Knight Tom Porritt at 630-750-9441 or tjporritt75@gmail.com. You will be glad you did. All members, please attend our Business Meeting on Tuesday, February 5th, 2019 and bring your card.
Tamales are back by popular demand!!
